Typical Layout for COD Hearing

This diagram is intended to provide hearing participants with an approximate sense of how rooms are typically arranged for hearings of the Committee on Discipline. The COD meets in different rooms on campus and thus this arrangement may need to be altered depending upon room layout, furniture available, disability or other needs of participants, and other circumstances.

Questions about this layout should be directed to the Office of Student Citizenship at 617-253-0193 or citizenship@mit.edu.
