Inaugurating the DSL Speaker Series!

Prof. John Gabrieli on “Images of Mind”

- Director, Gabrieli Lab at MIT’s McGovern Institute for Brain Research
- World class researcher
- Popular lecturer
- Renowned teacher, including the very popular course 9.00 (intro to psychology) to 250 mostly first year students.

This event is especially for student affairs professionals and colleagues who work with students day in and day out.

Wednesday, April 16
La Sala de Puerto Rico
MIT Student Center

Talk @ 1:30, Meet & Greet @ 2:30
Open to all in MIT Community
Come and tell your friends
