MIT Student Group Contract

Contracts for Services
All student groups planning on utilizing a service of a person or company outside of their group should utilize an MIT Student Group Contract. Contracts are an important way for you to protect yourself, your group, and the Institute from possible liability resulting from an event. Contracts also serve as a standardized method of outlining what services a contractor will provide to you or your group and the agreed upon remuneration.

Common examples on contracted services include: DJs, dance instructors, performers, musicians, amusements & games, bartending services or caterers, and many more.

Important tips on Contracts
- DO NOT SIGN any contracts or agreements on behalf of MIT. Your signature does not represent the Institute and all liability will fall on the unauthorized signatory.
- The MIT Student Group Contract is effective immediately upon signature by the contractor. This standard contract does not require a signature by MIT personnel.
- Should an outside organization require their own outside contract, please allow at least ten business days for an MIT signature. Examples typically include hotels, conference sites, established performers, etc. Contracts may require additional time for negotiation, so please begin this process as soon as possible.
- Contracts can be used as documentation for voucher check requests through the Student Activities Finance Office (SAFO).
- Never agree to a deposit prior to an event or performance. Some exceptions may be made – see SAO staff for assistance. Payment should be given to a performer just prior to or just after an event. Be sure to allow five business days for check processing.
- For your convenience, you may have the service provider fax the contract to the Student Activities Office at 617-253-8391 with attn: to your student group.
- Vendor ID Process: Please note that if we have not paid a vendor or if their information has changed, it will take a few extra days to create a vendor ID. Please allow time for processing when submitting a voucher for payment.

Please contact the Student Activities Office in W20-549 with any questions regarding contracts. Involving MIT staff early in the planning process will make it easier to address any concerns that may arise.
