

# KNOW OUR POLICY

**CONSENT** cannot be obtained from someone who is **INCAPACITATED**: “... the physical and/or mental inability to make informed, rational judgements and decisions. States of incapacitation include **SLEEP** and **BLACKOUTS**. Where alcohol or other substances are involved, incapacitation is determined by how the substance impacts a person’s **DECISION-MAKING CAPACITY**, awareness of consequences, and ability to make informed judgments.” —*Mind & Hand Book*
