- “S3 has done an excellent job of listening, providing actionable advice, and assisting me through the process of paperwork I needed when I came for advice. My S3 dean also reached out to me to congratulate me on a class she knew I was taking, which showed care and increase my confidence in going to S3 for advice.”

- “S3 is very valuable in terms of creating space between you and the crushing workload and expectations of MIT. They are helpful and valuable when communicating with faculty and administrators in the Institute, and in my experience have been good advocates.”

- “Understanding and acknowledging student’s struggles while providing useful information and support that results in actual success.”

- “S^3 makes it really easy to talk to someone if you need help in general, for many reasons. S^3 also does a really good job of ensuring that the environment is a true safe space.”
