Hello New House Seniors,

I am following up from the meeting I invited you all to on Monday, April 24 about the time between finals ending and commencement.

In the meeting, I shared with the group the scope of work that will need to be done starting on Tuesday, May 30 and will need to be completed before June 12 at 7am. This work includes:

- Removing select windows from each floor of each building in houses 1-4, in order to use a temporary furniture elevator
- Removing all furniture in every student room, lounge, and kitchen area
- Removing all appliances and cabinets in each kitchen

The work will begin each day at 7am and will continue until 7pm. This 12 hour work day is necessary in order for us to meet the timeline of turning the building over to the construction team on Monday, June 12 at 7am.

In the discussion with the students present, it was agreed that it was best for the students living in houses 1-4 to move over to houses 5 and 6. This will allow you to enjoy the days before your commencement at MIT without disrupted by movers working long hours. During the meeting it was decided that each group of seniors from each of the houses will be able to live together in blocks in houses 5 and 6. The houses present at the meeting selected one student who would work with me to decide room assignments during this two week period. These students are:

Chocolate City- Christopher Harmon
Spanish House- Silva Vazquez
House 2- Olivier Midy
House 3- Colin Godwin and Alyssa Cartwright
House 4- Roberto Soto

For students in I-House, I am looking for a volunteer to help coordinate room assignments. Please let me know if you are interested.

Graduating seniors in houses 5 and 6 will not need to move.

We will provide moving help for all the seniors who need to move during this time. Moving will begin on Tuesday, May 30. You do not need to be present to be moved to your temporary space if you wish, your belongings will just need to be packed and clearly labeled with the room number it needs to be moved to. I will send more information about moving logistics before finals week.

As a reminder, all seniors need to check out no later than 12pm (noon) on Saturday, June 10th. Thank you for your flexibility and your understanding. Please let me know if you have any questions.

And of course, congratulations on your upcoming graduation!
