2022-2023 McCormick Hall Action Plan
First-Year Housing Assignments

RAC = Room Assignment Chair, FY = First Year, REX = Residence Exploration, FYRE = First Year Residence Exchange

- We (the RACs) get McCormick FY assignments from Housing
- Once we get assignments, each of us reads through all the students' responses and takes notes independently
- We meet together to discuss our notes and group people into double/triple pairs
- Based on a floor survey we send to current McCormick residents, we will match people to floors or upperclassmen on floors.
- Sometime in August, housing releases room assignments to FYs (room number and roomate(s))
- We will contact freshmen after this happens and welcome them
- At the beginning of REX, RACs will send freshmen a form with a specific deadline for them to enter a room reassignment process if they so choose.
- For those who do not want to change their room (do not want to participate in the room reassignment process,) they can either indicate that on the form or not fill out the form. Residents who do not fill out the form will not be considered for the room reassignment process.
- After FYRE Results are released, we will hold a lottery for freshmen to be assigned to McCormick
    - If freshman is already a resident of mccormick and they fill out the form, they get to participate in the lottery
    - If freshman is moving from another dorm, it depends on whether they're assigned to McCormick through FYRE
    - We will hold a small mixer for freshmen who have been assigned to McCormick through REX or freshmen who want to change their rooms within McCormick to talk and meet with potential roommates and get to know floor cultures.
    - At the beginning of this event, we will send out a floor preference survey to the freshmen who want to enter the McCormick lottery
    - At the end of this event, we hold the housing lottery for the freshmen
    - We use the results to assign people to their rooms

Please let us know if you have any questions or concerns!

Best Regards,
Rose and Rumaisa
