

Culture House Funding Proposal

*In an effort to support residential-sponsored programs for the culture houses that will educate and inform the MIT community, and “promote a campus community that strengthens respect and enriches understanding of the diverse background and cultures of our members”**

Name(s) of person(s) submitting: _____

House(s): _____ Current Date: _____

Program Name: _____

Program Description: (Please include who and how many people will be attending)

What are the goals of this program, and how will it meet the stated objective of promoting “a campus community that strengthens respect and enriches understanding?”

Estimated expenses (for what and how much):
How much are you requesting? How much of your group’s funds will be used?

Program Date: _____ Program Time: _____

Program Location: _____

Will there be any faculty/staff involved with this program? If so, who?

Will there be other funding sources supporting this program? If so, who and how much?

Please attach any supporting documentation.

In addition, should you receive funding, your group will need to submit a paragraph summary of the event – how it went, what were the successes and what improvements could be made in the future. This summary is due exactly 2 weeks from the event and should be submitted to...

*from the Final Report, HSG Subcommittee of Cultural/Theme Houses at MIT, 11/7/06
