To what extent do you agree with the following statements?  
“Strongly agree” or “Agree”

What things during the pandemic is S3 doing well or you would like them to keep doing once back on campus?

“Having a virtual option is helpful for students with medical problems since going in person would have been a challenge or unsafe at times, so keeping that option would be great.”

“I think S3 has been doing pretty well remotely from what I have experienced and heard from others! Maybe having a zoom option in the future would help some students feel more comfortable coming, i.e. calling in from their single instead of being in the waiting room.”

What would you tell a student who is undecided about coming to S3?

“Do not feel ashamed or afraid. Everyone needs support in some form. This is one of the best ways to get that support at MIT.”

“I would tell him to please just give it a chance because it has made my school years feel so much better than what it could have been.”

“I would tell them that they've really pulled me out of some unfortunate/difficult situations. I
